“As our customer base continues to grow, we are investing heavily in building a world class customer services organization,” said Robert Chiti, OpenTech’s CEO. “Chris has years of experience managing CA’s technical services organization in the United States, Canada and Asia. Ellen was responsible for running a large and extremely visible government organization. Chris and Ellen both bring a positive attitude and can-do spirit to our company. I am sure our customers will enjoy working with them.”

As Vice President of Technical Services, Mr. Morin is responsible for building OpenTech’s technical services organization. His group handles INSOMNIAC kiosk installations, support, and training and works with customers to ensure they get the most out of their kiosk investment.

In her role as Operations Manager, Ms. Moriarty will be responsible for OpenTech’s accounting, sales support, customer relations, and day-to-day office management. Her top priority will be putting scalable systems and procedures in place to ensure OpenTech’s continued rapid growth and world class customer service.

OpenTech Alliance, Inc. is the leading developer of self-storage kiosks. OpenTech’s INSOMNIAC kiosks enable customers to rent units, make payments, purchase locks, and update their accounts 24 hours a day on their own without a manager’s assistance. For
