INSOMNIAC Kiosk Available for eMove Storage Affiliates eMove Newest Addition to OpenTech Alliance Partner Program

PHOENIX, Arizona – April 24, 2007 – OpenTech Alliance, Inc. announced today its INSOMNIAC™ self-storage kiosks are now available for eMove® Storage Affiliates™ running WebSelfStorage® Management Software. The company also announced that eMove, a subsidiary of U-Haul International, Inc., owned by parent company AMERCO (Nasdaq: UHAL) is the latest addition to its Alliance Partner Program.

“WebSelfStorage is a web-based management software solution used by thousands of locations across the country,” said Robert Chiti, President and CEO for OpenTech. “We are pleased to be working with the eMove team and welcome them into the Alliance Partner Program. The powerful combination of our two products will provide self-storage owners with additional rental revenue and their customers with the ultimate in convenience.”

“Self-service is a growing trend in almost every industry,” remarked Sam Celaya, Director of eMove Storage Affiliate. “We’re delighted to partner with OpenTech so that eMove Storage Affiliates now have a self-service kiosk option for their customers. This is just one more way we’re enhancing and extending the world’s largest moving and storage reservation system.”

eMove is an online marketplace that connects consumers to a network of over 7,000 independent self-storage operators and moving helpers. The Storage Affiliate Program enables independent self-storage facilities to expand their reach by connecting into a centralized 1-800 and Internet reservation system and, for a fee, receiving an array of services including Web-based management software, Secured Online Affiliation Rentals (S.O.A.R), co-branded rental trucks and savings on insurance and credit card processing. An individual or company can connect to the eMove marketplace by becoming an eMove Storage Affiliate or Moving Helper. For more information, visit www.emove.com or call 1-866-MY-EMOVE today.

OpenTech Alliance, Inc. is the leading developer of self-storage kiosks. OpenTech’s INSOMNIAC kiosks enable customers to rent units, make payments, purchase locks, and update their accounts 24 hours a day on their own without a manager’s assistance.
